

Rock Stars!

Another fabulous sale is being prepared! Your personal creations are welcomed and treasured to raise money for WFS. The sale will have auction items and "buy it now" prices for some of the smaller items on May 19 to 20, 2023.

What you do by April 15, 2023:

1. Select a plain photo shoot area to take photos of your item. Take 2-3 photos from different angles to give the potential buyer a good look at it.
2. Measure your item. Height, width and depth.
3. Describe your item for us, including the skill that was used and the material.
4. Your best guess at the retail value. What would it sell for in a boutique?
5. Are you donating the shipping or do you want WFS to send you a shipping label? Remember this sale is international.
6. Email all of this information to creativecrew@womenforsobriety.org
Please keep the item at your home and gather the packing materials you will need.

When the sale is over and the buyer has paid, we will contact you with shipping information.

The Creative Crew very much appreciates the donors of items to the catalog and the buyers in our sale! Stay tuned for the release of the catalog around April 24!

Hugs and Aloha,

The Creative Crew
